

What I Wish Someone Had Told Me about Discipleship

1. Growing healthy discipleship is intentional. Not because you are in church or BCM
Matt. 5:6
2. I can pray for spiritual wisdom- seeing life from God's perspective – relationships, health, finances-James 1:5
3. Discipleship is a lifelong process. Events and Process-sanctification is on going regardless of age- as you grow in faith you will experience a “dark night of the soul” St. John of the Cross
4. You need spiritual friends-relationships based on spirit- committed to helping each other grow spiritually
5. Invest spiritually (relationally)in others- fruit- John 15:16
6. Character is more important than knowledge- Galatians 4:19
7. Personal worship time (QT) is absolutely ESSENTIAL—Scripture study is vital-learn it- seek to obey it. Psalm 42:1-2
